

Room and Audio Visual Suggestions for Bernice J. Washington

Room and Audio-Visual Suggestions

To help ensure that Bernice's program meets your expectations and fulfills the ultimate benefit of your audience, please review the A/V requests below and let us know if there are any challenges.

Bernice is flexible and will work with your A/V capabilities and your technicians to maximize the effectiveness of your platform.

Equipment:

- Wireless lavalier (tie clip) or Hand Held Microphone
- Bar Stool (with back)
- Small table next to bar stool
- AV for Power Point Presentation and DVD/CD Player

Staging:

- Stage size and height appropriate for room size

Room Environment:

- Bernice will utilize the entire stage area and will stay toward the front edge. If the room has any spotlights, please aim them for a general wash of the front of the stage.
- Dim the lighting on the screens but keep the house lights up full.
- The actual room temperature should be somewhere between 68-70 degrees Fahrenheit.

Recording of presentation:

- The material to be presented is protected by copyright.
